BULLDOG MEMBERSHIP GUIDE

A MESSAGE FROM
DIRECTOR OF ATHLETICS,
JASON FERRIS

It is an honor to join the University of Montana Western as Director of Athletics and to become part of a community that takes such pride in its student-athletes, its traditions, and its future. From the moment I arrived, it was clear that Bulldog Athletics is built on a strong foundation of commitment—commitment to excellence, to the student-athlete experience, and to the meaningful connections that unite this campus and community. I am excited to build on that momentum and work alongside our coaches, staff, and supporters to continue elevating the championship experience for every student-athlete who wears the Bulldog jersey.

Our success is made possible through the partnerships we share with businesses, alumni, and community leaders who believe in the value of Montana Western Athletics. Your support goes far beyond competition—it helps shape leaders, strengthens opportunities, and creates lasting impact for our students and our region. I look forward to working with you, growing these partnerships, and continuing to build something special together. Thank you for being an essential part of Bulldog Athletics.

WHAT IS THE
BULLDOG CLUB?

The Bulldog Club is the official fundraising arm for the University of Montana Western Athletic Department and supports more than 250 student athletes that compete in 12 NAIA sports each year. Dedicated to providing opportunities and enhancing the student-athlete experience at Montana Western, contributions through the Bulldog club provide resources for student-athletes to excel academically, athletically and graduate as champions.
